

MY PRESCHOOL

When I arrive at Preschool I will walk along the path with my family to the gate.

I will put my lunchbox in the fridge and my water bottle on the shelf
(behind the yellow door).
I will have a locker to put my bag in.
My teachers will be there to help me.

I can say goodbye to my family through the special golden 'Goodbye Frame'.
We can make our very own goodbye handshake.

I can play in the yard or inside the rooms.

The playground has a big hill to climb on, a sandpit, a mudpit, a bike track, swings and gardens and sprinklers to play in.

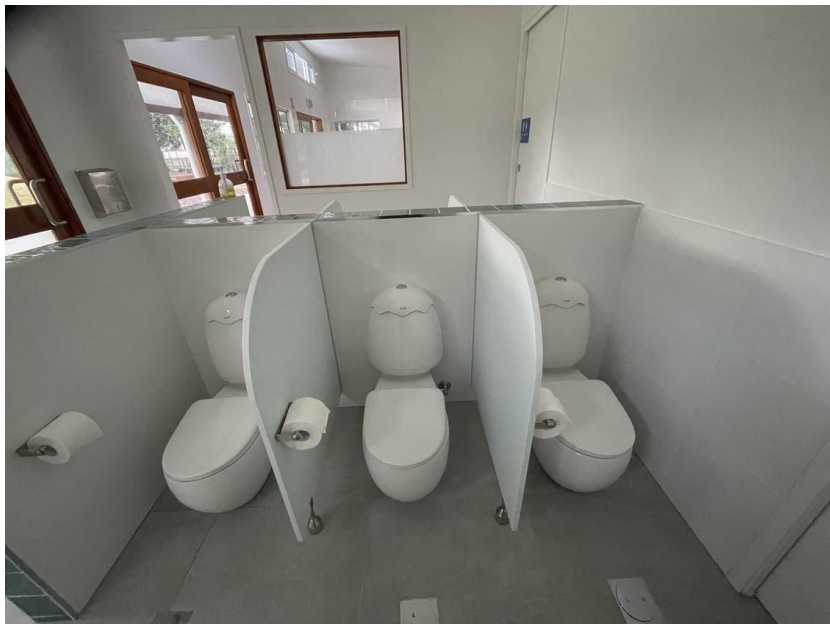

In the Discovery Room I can play with Lego, Duplo, blocks, trains, Mobilo, animals, home corner and lots more.

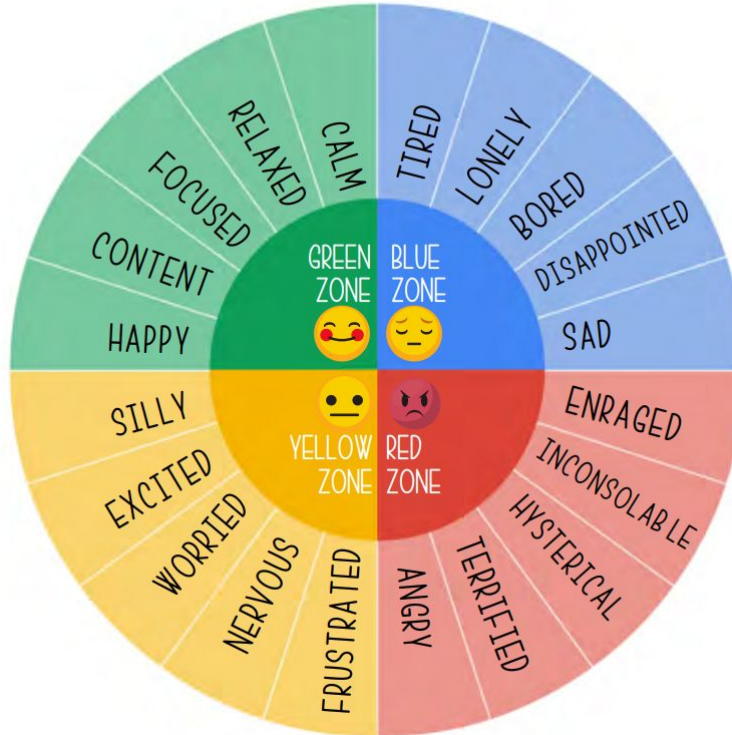

In the Rainbow Room I can read books, do puzzles, drawing, painting, play dough, board games and much more.

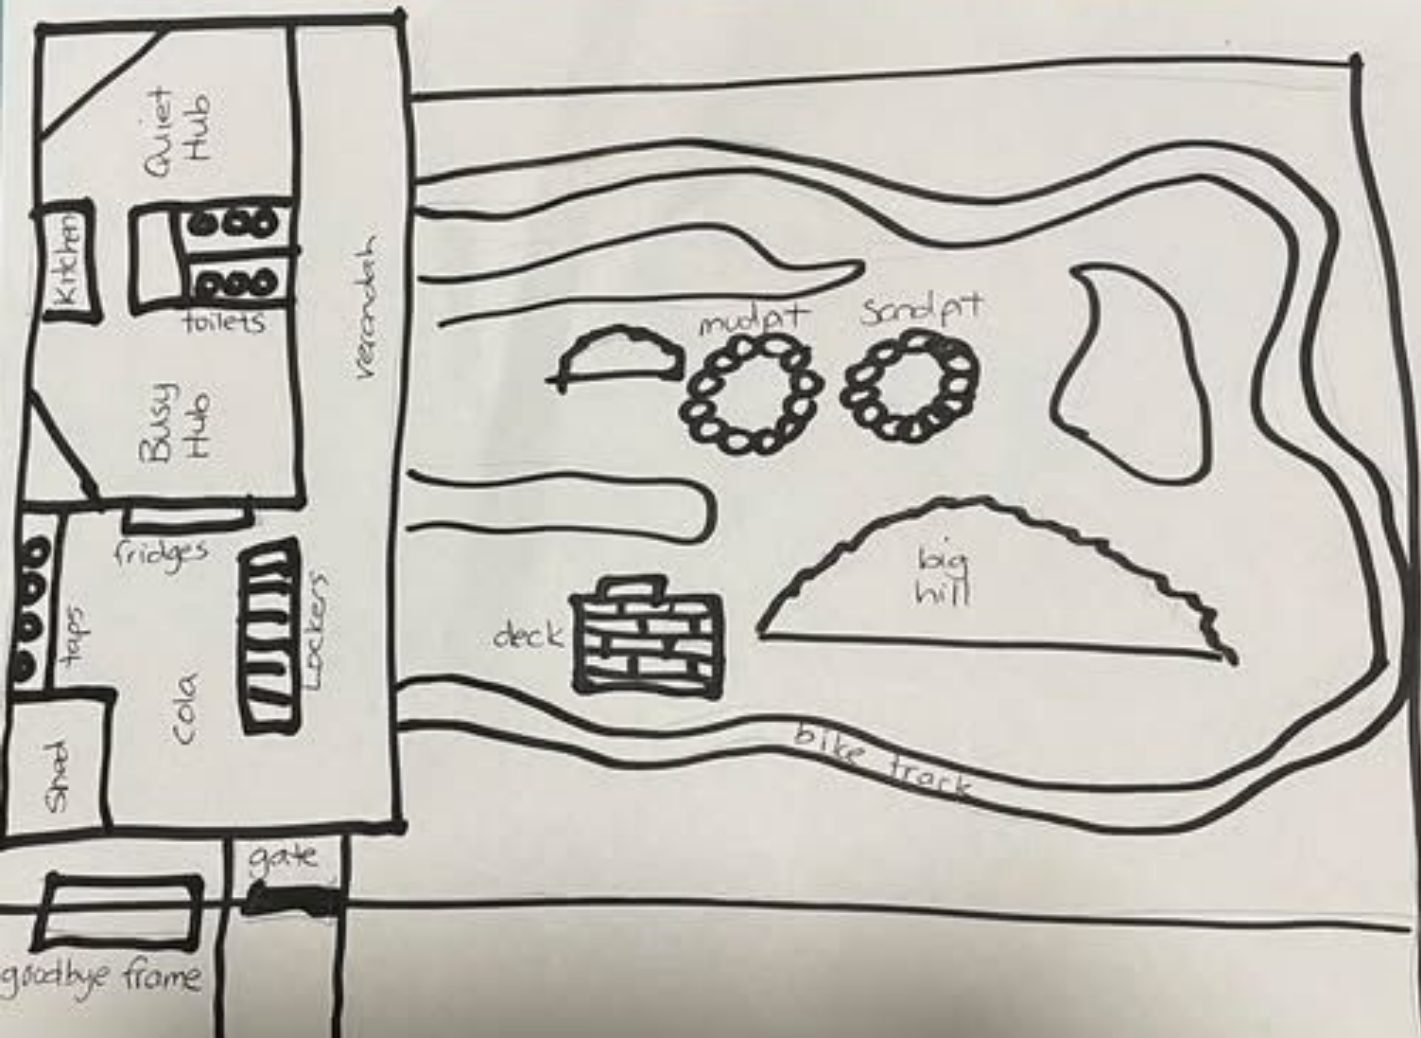

I can use the bathrooms to wash my hands and use the very cute egg toilets.

If I am feeling worried or not sure what to do I can ask my teachers or my friends for help.

When it's home time I will pack my lunch box and drink bottle into my backpack ready for my family to pick me up.

It's going to be so much fun playing at Preschool.
